## About Humanim

Humanim's workforce development division has been providing career training, job placement, and job support services for over 40 years. Our services are designed to equip both individuals and families with the skills necessary to achieve greater financial independence and long term success, through support services that include case management, job coaching, and financial education. Humanim's workforce development programs have an excellent reputation in the community, and are nationally recognized and accredited.

**HUMANIM**  
HUMAN PURPOSE. HUMAN IMPACT.
