

# Student Career Choices Program

Humanim's Student Career Choices program utilizes both a classroom and contextual training model to equip high school students who possess a wide range of disabilities and learning styles, with the skills, knowledge and experience necessary to prepare for competitive, integrated employment. This program is offered in partnership with Humanim's Pre-Employment Transition Services, and will allow students to exit high school with transferable skills such as:

- ▣ Greater ease in obtaining competitive employment (due to increased skill and confidence levels)
- ▣ Students will be able to identify their interest
- ▣ Students will be able to identify potential job
- ▣ Students will be able to advocate for themselves
- ▣ Students will be able to understand appropriate work behavior
