

# SYNCHRONIZING FOR FUTURE SUCCESS

Join Humanim's supporting board of passionate young professionals, the Impact Leaders Network, for our November professional development event: **"Synchronizing for Future Success."**

As impact-oriented professionals, ILN Members & Friends have many goals for our careers and in our community, but how do we turn those goals into reality? Our panel of leaders from a variety of fields, discuss strategies to help you reach your professional goals and become an effective leader in your organization and in the community.

This event will be moderated by Cindy Plavier-Truitt, Humanim's President & CEO.
